Dear Amanda:

Grace Chapel has been advertising with *The Homesteader* since December of 2001. We're grateful for this partnership, because we recognize Massachusetts is consistently welcoming new residents -- from all over the globe.

One of the most important things about having the ad in *The Homesteader*, is knowing it will reach out to residents who want to get to know the area, and find community. I've already heard stories of those who saw the Grace Chapel ad in *The Homesteader*, and came for a visit after reading it.

A big thank you to everyone at *The Homesteader* for continuing to focus on how to help residents feel right at home!

Sincerely,
